West Berkeley Alliance for Clean Air and Safe Jobs

# Clean Air Petition

Odorous and toxic pollution potentially endanger the comfort, health and safety of East Bay residents and prohibit the use and enjoyment of people's homes, workplaces and the outdoors. **This petition demonstrates that people nuisanced by Pacific Steel Casting Company want the air pollution to stop.**

The undersigned petitioners seek mitigation of the emissions (odorous, fugitive, nuisance, toxic, hazardous, etc.) from Pacific Steel Casting Company in West Berkeley.
